OUTDOOR DESIGN

BRICK PAVERS • WALLS • FIRE PITS

Tremron Brick Paver and Wall Collections offer a variety of products to increase your home's usable space by transforming your backyard into an area for entertaining and relaxing. Our Wall Collections can separate spaces, incorporate seating, and add many different elevation accents to your backyard. This, coupled with our Brick Paver Collections, can produce an outdoor theme that is one of a kind.

BLUESTONE

BOLD BEAUTY • TEXTURED SURFACE

For long-lasting beauty, use Bluestone pavers for patios, courtyards and walkways. This unique paver combination is strong, durable, and bold, creating a wonderful addition to any outdoor project. Oversized edge spacers create a larger joint to more closely simulate a natural stone appearance.

CANYON SLATE

NATURAL STONE APPEARANCE

Canyon Slate is an irregularly shaped, natural stone product. Fitting these unique pieces together in a random pattern makes them ideal for a garden patio and natural meandering walkway. Canyon Slate is a perfect choice for any application that has complex outlines and ties into your backyard garden.

STONEHURST

The natural slate stone finish of these premium pavers gives your home an elegant, upscale appearance. Consider antiquing your Stonehurst pavers to provide a premium, unique look that will make your project a step above the rest.

MEGA OLDE TOWNE

Mega Olde Towne provides all the features of the Stonehurst paver without its slate finish. Mega Olde Towne is an excellent choice for pool decks and patios and provides a smooth surface that is comfortable on your feet.

OLDE TOWNE

Olde Towne is Tremron's classic choice for projects where the smaller format is more appealing. The smaller sizes are ideal for traditional or random patterns.

REMODEL PAVERS

COVER EXISTING POOL DECKS & PATIOS

Remodel Pavers are designed to resurface patios, pool decks and walkways - without the cost of removing existing concrete! Our Remodel Pavers are available in the same selection of shapes and colors as our most popular Full Size Pavers. Expanding your project area is much easier when you have the flexibility to combine Full Size and Remodel Pavers together.
